

Aluminum Clad

Window & Door
Colour Guide

WHITE

CASHMERE

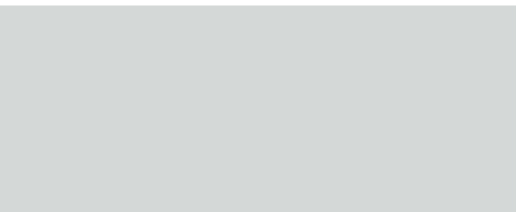

BEIGE

SABLE

SLATE GREY

CLEAR ANODIZED

Windows and doors don't have to be white.

Ply Gem offers a wide variety of extruded aluminum clad exterior colours for our Design and Signature Series. You can personalize your home, add character to your project and stand out with eye-catching curb appeal.

REDWOOD*

ENHANCED COLOUR PROTECTION

Enhanced colour protection (**ECP**) is added to darker colours on Ply Gem aluminum clad windows and doors to resist fading and chalking. This premium paint is a resin-based architectural coating that offers significantly better resistance to fading and chalking compared to Acrylic/Polyester paints common in the window industry.

*Available in Signature Series Metal Clad Wood only

The Ply Gem Promise

Ply Gem is a 70-year leader in pioneering performance home exteriors, with a superior warranty for exactly the home you want for decades to come.
